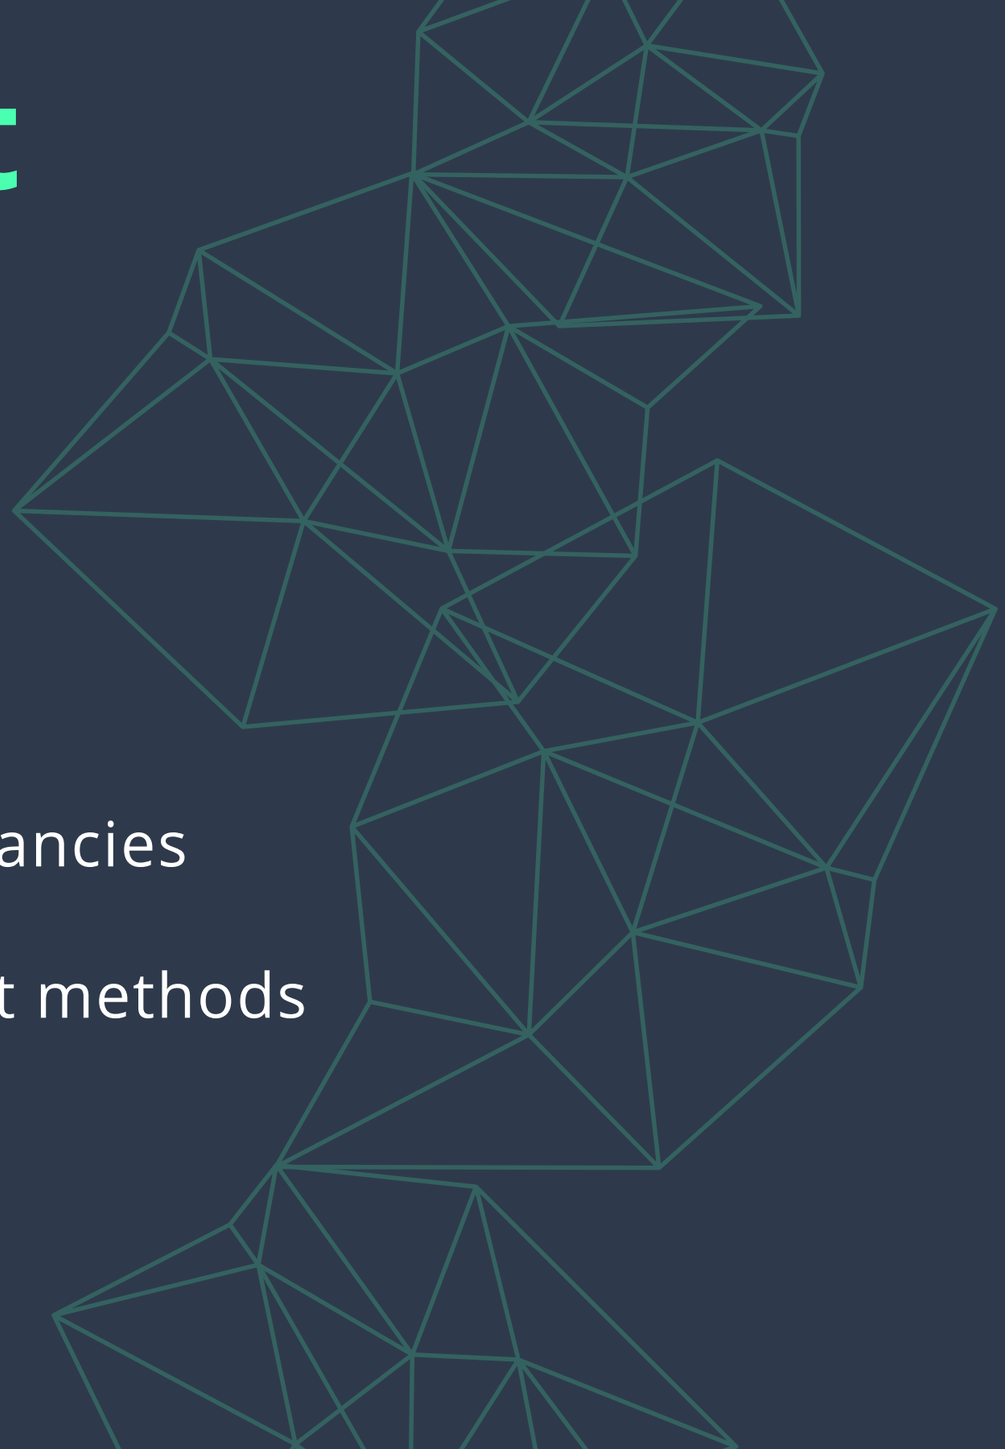
Problem Statement

Traditional hiring processes are:

- Time-consuming and inefficient
- Prone to bias and manual errors
- Costly for companies due to prolonged vacancies
- Lacking effective screening and assessment methods



Solution Overview

RECRUITX IS AN AI-POWERED RECRUITMENT PLATFORM THAT:

- AUTOMATES CANDIDATE SCREENING & SHORTLISTING
- PROVIDES AI-DRIVEN SKILL ASSESSMENTS
- CONNECTS COMPANIES WITH EXPERIENCED RECRUITERS
- REDUCES HIRING TIME AND COSTS

How it Works

- COMPANY POSTS JOB – JOB VACANCIES ARE LISTED ON THE PLATFORM
- CANDIDATE REGISTRATION – JOB SEEKERS SIGN UP AND COMPLETE PROFILES
- AI-DRIVEN SCREENING – AUTOMATED ASSESSMENT & FILTERING
- SHORTLISTING – TOP CANDIDATES SELECTED BASED ON AI EVALUATION
- RECRUITER INTERVIEWS – VERIFIED RECRUITERS CONDUCT FINAL INTERVIEWS
- FINAL SELECTION – COMPANIES HIRE THE BEST CANDIDATES

AI Powered Features

- AUTOMATED CANDIDATE SCREENING – AI ANALYZES RESUMES & APPLICATIONS
- AI-DRIVEN ASSESSMENTS – SKILL-BASED TESTS MONITORED BY AI
- BIAS-FREE HIRING – DATA-DRIVEN EVALUATION WITHOUT HUMAN PREJUDICE
- SMART MATCHING – AI MATCHES CANDIDATES WITH RELEVANT JOBS

Revenue & Compensation Strategy

B2B REVENUE MODEL:

- COMPANIES PAY FOR RECRUITMENT SERVICES
- SUBSCRIPTION OR PER-HIRE FEE STRUCTURE

RECRUITER COMPENSATION:

- RECRUITERS EARN PER INTERVIEW CONDUCTED
- INCENTIVES FOR HIGH-QUALITY CANDIDATE PLACEMENTS

Conclusion

- RecruitX transforms hiring with AI-powered screening and expert recruiter interviews.
- Faster, fairer, and more efficient recruitment for companies.
- A scalable B2B model that benefits both businesses and recruiters.
- Join us in revolutionizing talent acquisition!

THANK YOU!
